Description: Finn Hpl End Table - Shipped Kd

Frame: Lumber band, apron, and legs are made of sustainable yield certified European Beech offering superior strength, long term durability, stainability, and color consistency. Internal core is covered in High Pressure Laminate and fully integrated with white High Pressure Laminate applied to the bottom to stabilize the table from top to bottom

Finish: Lumber band, apron, and legs finished in a 14 step process utilizing a catalyzed conversion varnish sealer and top coat. Conversion varnish offers superior moisture resistance, cleaner/chemical resistance and surface strength.

Warranty: Kellex warrants tables against defects in materials and workmanship under conditions of normal use and service for 5 years from the date of purchase.

Upholstered furniture pieces with overall widths of 48â€ or greater using Non-Railroad fabrics may require additional seaming. Railroad fabrics are recommended for these pieces. This product is manufactured to comply with the state of California standards for flammability as specified in the Technical Bulletin 117-2013, and NFPA260
